17 July 2020

Dear Members

Audit Completion Report – Year ended 31 March 2020

We are pleased to present our Audit Completion Report for the year ended 31 March 2020. The purpose of this document is to summarise our audit conclusions.

The scope of our work, including identified significant audit risks and other areas of management judgement, was outlined in our Audit Strategy Memorandum which we presented on 18 February 2020. Since we issued our Audit Strategy Memorandum the UK has been subject to the challenges and restrictions of COVID-19. We have reviewed our Audit Strategy Memorandum and concluded that the original significant audit risks and other areas of management judgement remain appropriate.

One implication of COVID-19 for the Authority was that the deadlines for submission of the draft and audited financial statements were pushed back to 31 August and 30 November respectively. We would like to express our thanks for the assistance of your team in preparing accounts and enabling us to substantially complete our audit to the original timetable. If you would like to discuss any matters in more detail then please do not hesitate to contact me on 07896 684771.

Yours faithfully

Gavin Barker

1. EXECUTIVE SUMMARY

Purpose of this report and principal conclusions

The Audit Completion Report sets out the findings from our audit of County Durham and Darlington Fire and Rescue Authority ('the Authority') for the year ended 31 March 2020, and forms the basis for discussion at the Audit and Risk Committee meeting on 28 July 2020.

The detailed scope of our work as your appointed auditor for 2019/20 is set out in the National Audit Office's (NAO) Code of Audit Practice. Our responsibilities and powers are derived from the Local Audit and Accountability Act 2014 and, as outlined in our Audit Strategy Memorandum, our audit has been conducted in accordance with International Standards of Auditing (UK) and means we focus on audit risks that we have assessed as resulting in a higher risk of material misstatement.

Sections 2 and 5 of this report outline the detailed findings from our work on the financial statements and our conclusion on the Authority's arrangements to achieve economy, efficiency and effectiveness in its use of resources. Section 2 also includes our conclusions on the audit risks and areas of management judgement in our Audit Strategy Memorandum, which include:

- Management override of control
- Valuation of land and buildings; and
- Defined benefit liability valuation.

Status of our work

As we outline on the following page, our work is substantially complete. Subject to the satisfactory completion of the outstanding work, at the time of issuing this report we have the following conclusions:

Opinion on the financial statements

We anticipate issuing an unqualified opinion, without modification, on the financial statements. Our proposed audit opinion is included in the draft auditor's report in Appendix B.

Value for Money conclusion

We anticipate concluding that the Authority had proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources. Our draft auditor's report, including proposed conclusion, is provided in Appendix B.

Whole of Government Accounts (WGA)

The NAO have not yet issued group instructions so the timing of our review of your WGA submission is to be confirmed. We will report the results in our Annual Audit Letter.

Wider powers

The 2014 Act requires us to give an elector, or any representative of the elector, the opportunity to question us about the accounting records of the Authority and to consider any objection made to the accounts. Further details on the exercise of our wider powers are provided in section 2.

1. EXECUTIVE SUMMARY

Status of our audit work

We have substantially completed our work on the financial statements and Value for Money conclusion for the year ended 31 March 2020. At the time of preparing this report the following matters remain outstanding:

Audit area	Status	Description of outstanding matters
We have a small number of areas for completion, including Property Plant and Equipment	●	We are completing our work mainly around rights and obligations
Pensions	●	We are awaiting assurance from the pension fund auditor.
WGA	●	We are awaiting group instructions from the National Audit Office. This may impact on the timing of issuing our audit certificate to formally conclude and close the audit.
Closing Procedures	●	Review and closure processes, including final consideration of post balance sheet events.

Status

- Likely to result in material adjustment or significant change to disclosures within the financial statements
- Potential to result in material adjustment or significant change to disclosures within the financial statements
- Not considered likely to result in material adjustment or change to disclosures within the financial statements

We will provide the Audit and Risk Committee with an update in relation to these outstanding matters in a follow-up letter, prior to signing the auditor's report.

Our audit approach

We provided details of our intended audit approach in our Audit Strategy Memorandum in February 2020. We have not made any changes to our audit approach since we presented our Audit Strategy Memorandum.

Materiality

We set materiality at the planning stage of the audit at £0.921m for the Group and £0.919m for the Authority using a benchmark of 2% of Gross Operating Expenditure. Our final assessment of materiality, based on the final financial statements and qualitative factors is £1.046m for the Group and 1.043m for the Authority, using the same benchmark. We set our trivial threshold (the level under which individual errors are not communicated to the Audit and Risk Committee) at £31k based on 3% of overall materiality.

2. SIGNIFICANT FINDINGS

Set out below are the significant findings from our audit. These findings include:

- our audit conclusions regarding significant risks and key areas of management judgement outlined in the Audit Strategy Memorandum;
- our comments in respect of the accounting policies and disclosures that you have adopted in the financial statements. On page 7 we have concluded whether the financial statements have been prepared in accordance with the financial reporting framework and commented on any significant accounting policy changes that have been made during the year; and
- any significant difficulties we experienced during the audit.

Significant risks and key areas of management judgement

As part of our planning procedures we considered the risks of material misstatement in the Authority's financial statements that required special audit consideration. Although we report identified significant risks at the planning stage of the audit in our Audit Strategy Memorandum, our risk assessment is a continuous process and we regularly consider whether new significant risks have arisen and how we intend to respond to these risks. No new risks have been identified since we issued our Audit Strategy Memorandum.

Significant risk

Description of the risk

Management override of controls

In all entities, management at various levels within an organisation are in a unique position to perpetrate fraud because of their ability to manipulate accounting records and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. Due to the unpredictable way in which such override could occur, we consider there to be a risk of material misstatement due to fraud and thus a significant risk on all audits.

How we addressed this risk

We addressed this risk through performing audit work over:

- Accounting estimates impacting on amounts included in the financial statements;
- Consideration of identified significant transactions outside the normal course of business; and
- Journals recorded in the general ledger and other adjustments made in preparation of the financial statements.

Audit conclusion

Our audit work has provided the assurance we sought and has not identified any material issues to bring to your attention. There is no indication of management override of controls.

2. SIGNIFICANT FINDINGS (CONTINUED)

Significant risk

Property, Plant and Equipment Valuation

Description of the risk

The financial statements contain material entries on the Balance Sheet as well as material disclosure notes in relation to the Authority's holding of PPE. Although the Authority uses a valuation expert to provide information on valuations, there remains a high degree of estimation uncertainty associated with the revaluation of PPE due to the significant judgements and number of variables involved in providing revaluations. We have therefore identified the valuation of PPE to be an area of significant risk.

How we addressed this risk

- We liaised with management to update our understanding on the approach taken in its valuation of land and buildings.
- We wrote to the valuer to obtain information on their methodology and their procedures to ensure objectivity and quality.
- We tested a sample of valuation movements to gain assurance that the accounting treatment is appropriate and considered evidence of valuation trends to assess the reasonableness of the valuations.

Audit conclusion

We have not identified any material issues to bring to your attention. However, we did identify a non-trivial error which is outlined in more detail on page 10.

Significant risk

Defined benefits liability valuation

Description of the risk

The financial statements contain material pension entries in respect of retirement benefits. The calculation of these pension figures, both assets and liabilities, can be subject to significant volatility and includes estimates based upon a complex interaction of actuarial assumptions. In 2019/20, the local government pension assets and liabilities are subject to triennial revaluation.

How we addressed this risk

We addressed this risk by:

- We discussed with key contacts any significant changes to the pension estimates. In addition to our standard programme of work in this area, we evaluated the management controls you have in place to assess the reasonableness of the figures provided by the actuaries and considered the reasonableness of each actuary's output, referring to an expert's report on all actuaries nationally.
- We reviewed the appropriateness of the key assumptions included within the valuations and reviewed the methodology applied in the valuations. We considered the adequacy of disclosures in the financial statements.
- We also sought assurances from the auditor of Durham County Council Pension Fund.

Audit conclusion

Based on work completed to date, there are no significant matters arising from our work. However, we are still awaiting the letter of assurance from the Pension Fund Auditor.

2. SIGNIFICANT FINDINGS (CONTINUED)

Qualitative aspects of the Authority's accounting practices

We have reviewed the Authority's accounting policies and disclosures and concluded that they comply with the requirements of the Code of Practice on Local Authority Accounting (the Code), appropriately tailored to the Authority's circumstances.

Draft accounts were received from the Authority on 9 June 2020 and were of a good quality and working papers were provided by the scheduled audit start date of 15 June 2020 and were likewise of good quality.

Significant difficulties during the audit

During the course of the audit we did not encounter any significant difficulties and we have had the full co-operation of management. Officers have been very helpful and responsive in addressing our audit queries, and we are grateful for the assistance provided.

Given the Government's COVID-19 instruction for the public to work from home if possible, our audit was completed remotely but this did not cause significant difficulties during the audit because:

- we used technology, such as video conferencing, to ensure the audit was completed to the required standards;
- all working papers provided were electronic and of the usual high standard; and
- we used a team of public sector audit specialists with the same manager and team leader as in 2018/19.

Wider responsibilities

Our powers and responsibilities under the 2014 Act are broad and include the ability to:

- issue a report in the public interest;
- make statutory recommendations that must be considered and responded to publicly;
- apply to the court for a declaration that an item of account is contrary to law; and
- issue an advisory notice under schedule 8 of the 2014 Act.

We have not exercised any of these powers as part of our 2019/20 audit. The 2014 Act also gives rights to local electors and other parties, such as the right to ask questions of the auditor and the right to make an objection to an item of account. We have not received any questions or objections in respect of County Durham and Darlington Fire and Rescue Authority.

3. INTERNAL CONTROL RECOMMENDATIONS

The purpose of our audit is to express an opinion on the financial statements. As part of our audit we have considered the internal controls in place relevant to the preparation of the financial statements. We do this in order to design audit procedures to allow us to express an opinion on the financial statement and not for the purpose of expressing an opinion on the effectiveness of internal control, nor to identify any significant deficiencies in their design or operation.

The matters reported are limited to those deficiencies and other control recommendations that we have identified during our normal audit procedures and that we consider to be of sufficient importance to merit being reported. If we had performed more extensive procedures on internal control we might have identified more deficiencies to be reported or concluded that some of the reported deficiencies need not in fact have been reported. Our comments should not be regarded as a comprehensive record of all deficiencies that may exist or improvements that could be made.

Our findings and recommendations are set out below. We have assigned priority rankings to each of them to reflect the importance that we consider each poses to your organisation and, hence, our recommendation in terms of the urgency of required action. In summary, the matters arising fall into the following categories:

Priority ranking	Description	Number of issues
1 (high)	In our view, there is potential for financial loss, damage to reputation or loss of information. This may have implications for the achievement of business strategic objectives. The recommendation should be taken into consideration by management immediately.	0
2 (medium)	In our view, there is a need to strengthen internal control or enhance business efficiency. The recommendations should be actioned in the near future.	0
3 (low)	In our view, internal control should be strengthened in these additional areas when practicable.	1

Follow up of previous internal control points

There were no significant deficiencies in 2018/19 to follow up. We identified one control deficiency for 2019/20 as set out on the following page.

3. INTERNAL CONTROL RECOMMENDATIONS (CONTINUED)

Other deficiencies in internal control – Level 3

Description of deficiency: Declarations of interest - Members

We noted that, at the date of preparing this report, 6 Members had not yet returned their declaration of interest forms for the 2019/20 year. These are used by the Authority to prepare the related party disclosures in the financial statements, and are important evidence for the audit. We recognise that the exceptional circumstances surrounding the Covid-19 pandemic may explain the delay, but we need all returns to be received before we can issue our audit opinion.

Potential effects

There could be undisclosed related party transactions.

Recommendation

Members return their declaration of interest forms as soon as possible to avoid delays in accounts preparation and audit.

Management response

Officers are actively pursuing those Members who have not returned their declaration forms with a view to having all returns by the end of July.

4. SUMMARY OF MISSTATEMENTS

We set out below the misstatements identified for adjustment during the course of the audit, above the level of trivial threshold of £31k.

The first section outlines the misstatements that were identified during the course of our audit which management has assessed as not being material, either individually or in aggregate, to the financial statements and does not currently plan to adjust.

The second section outlines the misstatements that have been adjusted by management during the course of the audit.

Unadjusted misstatements 2019/20

We have not identified any unadjusted misstatements.

Adjusted misstatements 2019/20

	Comprehensive Income and Expenditure Statement		Balance Sheet	
	Dr (£'000)	Cr (£'000)	Dr (£'000)	Cr (£'000)
1 Dr: Creditors – other local authorities Cr: Debtors – other local authorities			106	106
Relates to a debit balance on the creditor code which was then moved correctly to the debtor code in the ledger but is not reflected in the balance sheet.				
2 Dr: Revaluations (decreases) Cr: Property, plant and equipment			508	508
Adjustment to remove the Stanhope extension asset from the fixed asset register and the accounts as this was already included within the main Stanhope building asset as part of the valuation therefore was double counted.				
3 Dr: Creditors: Receipts in advance Cr: Taxation and Non-Specific Grant Income		125	125	
The first tranche COVID-19 funding received in March was without conditions and there is no indication of potential clawback if any is unspent. Accordingly, it should have been fully recognised upon approval, whereas the unspent element of the grant was originally credited to receipts in advance in the accounts.				
Total adjusted misstatements		125	739	614

4. SUMMARY OF MISSTATEMENTS (CONTINUED)

Disclosure amendments

During the course of the audit we identified a number of presentational and disclosure issues. These were all relatively minor and have been adjusted for in the final version of the financial statements. We have summarised below some of the disclosure amendments required.

Note 8.9 Debtors: Following the change to West Yorkshire Pension Fund, the Authority now makes pensions payments in advance each month. The amount selected for sampling relates to the April amount for £761k and was paid at the end of March therefore should be shown in payments in advance rather than in 'other local authorities'. This has no impact on the primary statements. The disclosure note has been amended.

Note 8.2 Property, plant and equipment: 'Impairment losses recognised in the Surplus on the Provision of Services' are shown as £441k and 'Impairment losses recognised in the Revaluation Reserve' are shown as £92. These are the wrong way round and the note has been amended. There is no impact on the primary statements.

Note 7.5 Exit packages: We identified an £18k exit package that was shown in the incorrect banding (£20,000-£40,000 bracket), when they should be included in the £0-£20,000 bracket. This has been amended. There is no impact on the primary statements.

5. VALUE FOR MONEY CONCLUSION

Our approach to Value for Money

We are required to form a conclusion as to whether the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. The NAO issues guidance to auditors that underpins the work we are required to carry out in order to form our conclusion, and sets out the criterion and sub-criteria that we are required to consider.

The overall criterion is that, *'in all significant respects, the Authority had proper arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people.'* To assist auditors in reaching a conclusion on this overall criterion, the following sub-criteria are set out by the NAO:

- Informed decision making
- Sustainable resource deployment
- Working with partners and other third parties

It is important to clarify that the arrangements we consider in reaching this year's conclusion are those in place for the 2019/20 financial year ending on 31 March 2020.

Commentary against each of the sub-criteria, and an indication of whether arrangements are in place, is provided below.

Sub-criteria	Commentary	Arrangements in place?
Informed decision making	<p>We reviewed financial, performance and risk management reports throughout the year and attended meetings of the Audit and Risk Committee. We did not identify any concerns regarding data quality or the decision-making process.</p> <p>A governance framework is in place including: the Authority's Constitution which includes the Code of Conduct, Annual Governance Statement, and Code of Corporate Governance. The Code is consistent with the seven principles of good governance as identified in the CIPFA/SOLACE framework - 'Delivering Good Governance in Local Governance</p> <p>The Authority reviewed management accounts through the year and the forecasts broadly reflected the year-end position.</p> <p>We considered the following aspects of proper arrangements specified by the National Audit Office as part of our risk assessment, and, based on our risk-based approach, we did not identify any significant issues or exceptions in the Authority's arrangements:</p> <p>a) Acting in the public interest, through demonstrating and applying the principles and values of sound governance;</p> <p>b) Understanding and using appropriate and reliable financial and performance information to support informed decision making and performance management;</p> <p>c) Reliable and timely financial reporting that supports the delivery of strategic priorities; and</p> <p>d) Managing risks effectively and maintaining a sound system of internal control.</p>	Yes

5. VALUE FOR MONEY CONCLUSION (CONTINUED)

Sub-criteria	Commentary	Arrangements in place?
Sustainable resource deployment	<p>Financial and performance reports demonstrate a history of achieving cost reductions without adversely affecting services to date and a balanced medium term financial strategy is in place up to 2023/24. The fair funding review has been postponed and will not now impact until 2022/23 but the Authority has a strategy in place to meet several different funding scenarios.</p> <p>We do note, however, that the Authority has a relatively low level of usable reserves (£7.290m at 31 March 2019 and £5.806m at 31 March 2020). Although the reduction to the current level has been planned, there is limited room for manoeuvre and in the current uncertain environment, clarity on future funding is essential and will require careful monitoring by Members.</p> <p>In December 2019 HMICFRS rated the Authority 'good' in two out of three inspection pillars and the Authority has implemented an improvement plan to address the deficiencies.</p> <p>We considered the following aspects of proper arrangements specified by the National Audit Office as part of our risk assessment, and, based on our risk-based approach, we did not identify any significant issues or exceptions in the Authority's arrangements:</p> <ul style="list-style-type: none"> a) Planning finances effectively to support the sustainable delivery of strategic priorities and maintain statutory functions; b) Managing and utilising assets effectively to support the delivery of strategic priorities; and c) Planning, organising and developing the workforce effectively to deliver strategic priorities. 	Yes
Working with partners and other third parties	<p>The Authority is committed to collaboration and continues to explore possibilities of partnership working with the police, ambulance and other fire authorities as well as private and voluntary sectors. A number of fire stations are shared with either the Police and/or the Ambulance Service.</p> <p>The Authority has procurement procedures in place and maintains a contract register which is published on the website.</p> <p>We considered the following aspects of proper arrangements specified by the National Audit Office as part of our risk assessment, and, based on our risk-based approach, we did not identify any significant issues or exceptions in the Authority's arrangements:</p> <ul style="list-style-type: none"> a) Working with third parties effectively to deliver strategic priorities; b) Commissioning services effectively to support the delivery of strategic priorities; and c) Procuring supplies and services effectively to support the delivery of strategic priorities. 	Yes

5. VALUE FOR MONEY CONCLUSION (CONTINUED)

Significant Value for Money risks

The NAO's guidance requires us to carry out work to identify whether or not a risk to the Value for Money conclusion exists. Risk, in the context of our Value for Money work, is the risk that we come to an incorrect conclusion rather than the risk of the arrangements in place at the Authority being inadequate. In our Audit Strategy Memorandum, we reported that we had not identified any significant Value for Money risks.

During March 2020, the significant impact of the COVID-19 pandemic began to have far reaching implications for us all, including an impact on the Authority. In particular, following the lockdown from 26 March 2020, the service needed to respond to the impact of the pandemic on its communities and also needed to adapt to new ways of working.

Our 2019/20 value for money conclusion is focused on the arrangements in place during the 2019/20 financial year. Given the timing of the major impact of the pandemic one week before the end of the financial year, we did not identify an additional significant risk relating to the COVID-19 pandemic in our 2019/20 value for money conclusion work.

The Authority's response to the pandemic will be a major focus of our 2020/21 audit. With this in mind, we have continued to liaise with officers and gain an understanding of the arrangements that have been put in place in the new financial year.

Our overall Value for Money conclusion

Our draft auditor's report included in Appendix B states that we intend to issue an unqualified Value for Money conclusion for the 2019/20 financial year.

APPENDIX A

DRAFT MANAGEMENT REPRESENTATION LETTER

From:
Treasurer
County Durham & Darlington Fire & Rescue Authority
Belmont Business Park
Durham DH1 5TW

To:
Mr Gavin Barker
Director
Mazars LLP
Salvus House
Aykley Heads
Durham DH1 5TS

Date: July 2020

County Durham and Darlington Fire and Rescue Authority and Group - audit for year ended 31 March 2020

This representation letter is provided in connection with your audit of the financial statements of County Durham and Darlington Fire and Rescue Authority and Group for the year ended 31 March 2020 for the purpose of expressing an opinion as to whether the statement of accounts give a true and fair view in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2019/20 (the Code).

I confirm that the following representations are made on the basis of enquiries of management and staff with relevant knowledge and experience (and, where appropriate, inspection of supporting documentation) sufficient to satisfy myself that I can properly make each of the following representations to you.

My responsibility for the statement of accounts and accounting information

I believe that I have fulfilled my responsibilities for the true and fair presentation and preparation of the statement of accounts in accordance with the Code.

My responsibility to provide and disclose relevant information

I have provided you with:

- access to all information of which I am aware that is relevant to the preparation of the statement of accounts such as records, documentation and other material;
- additional information that you have requested from me for the purpose of the audit; and
- unrestricted access to individuals within the Authority and Group you determined it was necessary to contact in order to obtain audit evidence.

I confirm as s151 Officer that I have taken all the necessary steps to make me aware of any relevant audit information and to establish that you, as auditors, are aware of this information. As far as I am aware there is no relevant audit information of which you, as auditors, are unaware.

Accounting records

I confirm that all transactions have been recorded in the accounting records and are reflected in the financial statements. All other records and related information, including minutes of all Authority and Committee meetings, have been made available to you.

Accounting policies

I confirm that I have reviewed the accounting policies applied during the year in accordance with the Code and International Accounting Standard 8 and consider them appropriate for the year.

Accounting estimates, including those measured at fair value

I confirm that any significant assumptions used in making accounting estimates, including those measured at fair value, are reasonable.

Contingencies

There are no material contingent losses including pending or potential litigation that should be accrued where:

- information presently available indicates that it is probable that an asset has been impaired or a liability had been incurred at the balance sheet date; and
- the amount of the loss can be reasonably estimated.

APPENDIX A

DRAFT MANAGEMENT REPRESENTATION LETTER

(CONTINUED)

There are no material contingent losses that should be disclosed where, although either or both the conditions specified above are not met, there is a reasonable possibility that a loss, or a loss greater than that accrued, may have been incurred at the balance sheet date.

There are no contingent gains which should be disclosed.

All material matters, including unasserted claims, that may result in litigation against the Authority and Group have been brought to your attention. All known actual or possible litigation and claims whose effects should be considered when preparing the financial statements have been disclosed to you and accounted for and disclosed in accordance with Code.

Laws and regulations

I confirm that I have disclosed to you all those events of which I am aware which involve known or suspected non-compliance with laws and regulations, together with the actual or contingent consequences which may arise therefrom.

The Authority and Group have complied with all aspects of contractual agreements that would have a material effect on the accounts in the event of non-compliance.

Fraud and error

I acknowledge my responsibility as s151 Officer for the design, implementation and maintenance of internal control to prevent and detect fraud and error.

I have disclosed to you:

- all the results of my assessment of the risk that the statement of accounts may be materially misstated as a result of fraud;
- all knowledge of fraud or suspected fraud affecting the Authority and Group involving:
 - management and those charged with governance;
 - employees who have significant roles in internal control; and
 - others where fraud could have a material effect on the financial statements.

I have disclosed to you all information in relation to any allegations of fraud, or suspected fraud, affecting the Authority and Group's financial statements communicated by employees, former employees, analysts, regulators or others.

Related party transactions

I confirm that all related party relationships, transactions and balances (including sales, purchases, loans, transfers, leasing arrangements and guarantees) have been appropriately accounted for and disclosed in accordance with the requirements of the Code.

I have disclosed to you the identity of the Authority and Group's related parties and all related party relationships and transactions of which I am aware.

Impairment review

To the best of my knowledge, there is nothing to indicate that there is a permanent reduction in the recoverable amount of the property, plant and equipment below their carrying value at the balance sheet date. An impairment review is therefore not considered necessary.

Charges on assets

All the Authority and Group's assets are free from any charges exercisable by third parties except as disclosed within the financial statements.

Future commitments

We have no plans, intentions or commitments that may materially affect the carrying value or classification of assets and liabilities or give rise to additional liabilities.

Subsequent events

I confirm all events subsequent to the date of the financial statements and for which the Code require adjustment or disclosure have been adjusted or disclosed.

Should further material events occur after the date of this letter which may necessitate revision of the figures included in the financial statements or inclusion of a note thereto, I will advise you accordingly.

APPENDIX A

DRAFT MANAGEMENT REPRESENTATION LETTER

(CONTINUED)

Going concern

I confirm that I have carried out an assessment of the potential impact of the COVID-19 Virus pandemic on the Authority and Group, including the impact of mitigation measures and uncertainties and I am satisfied that the going concern assumption remains appropriate and that no material uncertainty has been identified.

To the best of my knowledge there is nothing to indicate that the Authority and Group will cease to continue as a going concern in the foreseeable future. The period to which I have paid particular attention in assessing the appropriateness of the going concern basis is not less than twelve months from the date of approval of the accounts.

Unadjusted misstatements

I confirm that the effects of the uncorrected misstatements are immaterial, both individually and in aggregate, to the financial statements as a whole. A list of the uncorrected misstatements is attached to this letter as an Appendix.

Yours sincerely

s151 officer / Treasurer

APPENDIX B

DRAFT AUDITOR'S REPORT

Independent auditor's report to the members of County Durham and Darlington Fire and Rescue Authority

Report on the financial statements

Opinion

We have audited the financial statements of County Durham and Darlington Fire and Rescue Authority (the Authority) and its subsidiaries (the Group) for the year ended 31 March 2020, which comprise the Authority and Group Movement in Reserves Statement, the Authority and Group Comprehensive Income and Expenditure Statement, the Authority and Group Balance Sheet, the Authority and Group Cash Flow Statement, the Firefighters' Pension Fund Account and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2019/20.

In our opinion, the financial statements:

- give a true and fair view of the financial position of County Durham and Darlington Fire and Rescue Authority and the Group as at 31st March 2020 and of the Authority and Group's expenditure and income for the year then ended; and
- have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2019/20.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities section of our report. We are independent of the Authority in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Treasurer's use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Treasurer has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Authority and Group's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The Treasurer is responsible for the other information. The other information comprises the information included in the Statement of Accounts, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of the Treasurer for the financial statements

As explained more fully in the Statement of Responsibilities, the Treasurer is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2019/20, and for being satisfied that they give a true and fair view. The Treasurer is also responsible for such internal control as the Treasurer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

APPENDIX B

DRAFT AUDITOR'S REPORT (CONTINUED)

The Treasurer is required to comply with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2019/20 and prepare the financial statements on a going concern basis, unless the Authority is informed of the intention for dissolution without transfer of services or function to another entity. The Treasurer is responsible for assessing each year whether or not it is appropriate for the Authority and Group to prepare its accounts on the going concern basis and disclosing, as applicable, matters related to going concern.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Authority's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Matters on which we are required to report by exception under the Code of Audit Practice

We are required by the Code of Audit Practice to report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;
- we make a recommendation under section 24 of the Local Audit and Accountability Act 2014; or
- we exercise any other special powers of the auditor under sections 28, 29 or 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects.

Conclusion on County Durham and Darlington Fire and Rescue Authority's arrangements for securing economy, efficiency and effectiveness in the use of resources

Conclusion

On the basis of our work, having regard to the guidance on the specified criterion issued by the Comptroller and Auditor General in April 2020, we are satisfied that, in all significant respects, County Durham and Darlington Fire and Rescue Authority has put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2020.

Basis for conclusion

We have undertaken our review in accordance with the Code of Audit Practice issued by the Comptroller and Auditor General, having regard to the guidance on the specified criterion issued in April 2020, as to whether the Authority had proper arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people. The Comptroller and Auditor General determined this criterion as that necessary for us to consider in satisfying ourselves whether the Authority put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2020.

We planned our work in accordance with the Code of Audit Practice. Based on our risk assessment, we undertook such work as we considered necessary to form a view on whether, in all significant respects, the Authority had put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Responsibilities of the Authority

The Authority is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

APPENDIX B

DRAFT AUDITOR'S REPORT (CONTINUED)

Auditor's responsibilities for the review of arrangements for securing economy, efficiency and effectiveness in the use of resources

We are required under section 20(1)(c) of the Local Audit and Accountability Act 2014 to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. The Code of Audit Practice requires us to report to you our conclusion relating to proper arrangements. We are not required to consider, nor have we considered, whether all aspects of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

Use of the audit report

This report is made solely to the members of County Durham and Darlington Fire and Rescue Authority as a body, in accordance with part 5 of the Local Audit and Accountability Act 2014 and as set out in paragraph 44 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. Our audit work has been undertaken so that we might state to the members of the Authority those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the members of the Authority, as a body, for our audit work, for this report, or for the opinions we have formed.

THE FOLLOWING SECTION WILL DEPEND ON WHETHER WE HAVE BEEN ABLE TO REPORT ON WGA BEFORE WE ISSUE OUR REPORT EITHER:

Certificate

We certify that we have completed the audit of County Durham and Darlington Fire and Rescue Authority and Group in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice.

OR:

Delay in certification of completion of the audit

We can not formally conclude the audit and issue an audit certificate until we have completed the work necessary to issue our assurance statement in respect of the Authority's Whole of Government Accounts consolidation pack. We are satisfied that these matters do not have a material effect on the financial statements or on our conclusion on the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources.

IF THERE IS A DELAY IN ISSUING A CERTIFICATE, A CERTIFICATE WILL BE ISSUED AT A LATER DATE WHEN THE WGA REPORT HAS BEEN COMPLETED.

APPENDIX C INDEPENDENCE

As part of our ongoing risk assessment we monitor our relationships with you to identify any new actual or perceived threats to our independence within the regulatory or professional requirements governing us as your auditors.

We can confirm that no new threats to independence have been identified since issuing the Audit Strategy Memorandum and therefore we remain independent.
